for more information.

The San Francisco Organizing Project (SFOP) is a multi-ethnic, non-partisan coalition of congregations and schools creating innovative solutions to the problems facing our city, state and country. Our membership includes 20 congregations and schools and nine affiliate/exploring institutions, as well as partnerships with the San Francisco Archdiocese and the Bay Area Synagogue Organizing Project (BAYSO). Our core group of more than 250 volunteer leaders represents over 40,000 families and unites people across region, race, class, family structure, and religion.

San Francisco: A Healthy City
